6/2/17 Pump House Rear Garden

- a) Members considered installation of artificial turf at the rear of the Pump House. The committee was informed that £2000 was being donated towards the project from the current Children's Centre which closes on 31/3/2016. The remainder of the cost could be requested from the Youth Services earmarked operating budget, as Youth groups currently use the space. It was PROPOSED that artificial grass should be installed if funds were released by the Youth Services Committee. This was AGREED.
- b) Members considered the position of a new shed purchased for storage. It was PROPOSED that the shed be located in the top left corner of the Pump House Garden. This was RESOLVED.
