3/7/17	<p>Declarations of Interest No declarations were made at this time.</p>
4/7/17	<p>Public Speaking and Question Time A member of the public requested further information regarding the policy for large developments outside the development boundary in the Faringdon Neighbourhood Plan because he had noted that the Town Council had not objected to a development on Highworth Rd. Cllr. Wise explained that the land South of Highworth Rd was an allocated site in the VWHDC Local Plan and, as such, the Neighbourhood Plan could not reduce the number of houses allocated there, only increase the number or suggest an alternative site. Also, despite the fact that this development was outside the existing development boundary (as were all the other allocated sites), the National Planning Policy Framework, with its presumption to grant planning permission for 'sustainable' developments, had effectively made the current development boundary redundant. Concerns about the layout and lack of facilities in the proposed development were raised at its first submission and it was likely that these would be pursued more forcibly by the Planning & Highways Committee when considering the revised submission, as they had not been addressed in the revision and were contrary to the Neighbourhood Plan.</p>
5/7/17	<p>Cotswold Hare Trail Deferred to a future meeting.</p>

Faringdon now shares its Neighbourhood sergeant with Wantage. The Faringdon Team now consists of 2 PCs and 5 PCSOs. Cllr. Leniec asked what the response time for Faringdon was: – PCSO. Esme Brown explained that this would depend on where the officer was coming from. She would look into the average and report back. Cllr. Leniec expressed concern that coverage in Faringdon was limited. Cllr. Beesley expressed concern about a crime that was posted on Facebook. She was asked to forward any information to the police and encourage people to officially report crime. Cllr. Finn asked where the team were based. PCSO Brown reported that the Police Station would remain open for one more year after which the officers would relocate, probably to the Fire Station.
