8/13/17	<p>Bridleways in Faringdon Parish The Chairman advised that a local resident had recently brought to his attention the bad state of a bridleway in Gt Coxwell Parish. As the bridleway was not in Faringdon's Parish, the resident had been advised to contact Oxfordshire County Council, the relevant local authority, as well as Gt Coxwell Parish Council. However, as a result of this approach it was agreed that when planning applications in its parish come before it, Faringdon Town Council should, in future, not only consider the needs of horse riders alongside those of cyclists but should be vigilant regarding the state of bridleways in its parish.</p>
