  16. Faringdon Rotary Club – *Faringdon would be a priority for grants in 2018. The community were encouraged to apply for funding by visiting the website or contacting any member of Faringdon Rotary. It was hoped that the small Christmas trees would once again be installed by the Rotary Club.*
  17. Be Free Young Careers
  18. Farcycles
  19. Faringdon Infant School

All the groups were thanked for their positive contribution to the life of the town.

- 7. Public Speaking Time and General Discussion**
- The Council were asked for an update on Heritage Day and the Hare Trail. Organisation for Heritage Day has just begun. The event would be held on 15<sup>th</sup> September 2018, public buildings would be open, and a variety of exhibitions and trails would take place around the Town. The Hare Trail is not a Town Council project, but it is understood that 3 giant hares have been painted and would be placed around the Town as well as several small hares. The organiser is appealing for help with fixing the hares in place.
  - There was concern about the decline in the Town Centre with the closure of Budgens, the bank and the loss of an ATM. There had been a petition regarding the use of the Budgens site. Cllr. Barron explained that the Town Council shared the residents' concern, but unfortunately had no powers to dictate business activity in the Town. Cllr. Cox explained that the Budgens premise was commercial and not under the Council's remit. However, he had met with a facilitator in his role as Chair of the Town Team, who was assessing options. Cllr. Farmer was asked if there had been any progress following meetings held by businesses, unfortunately there had been low interest and few ideas had come forward to improve the centre, however, some community members were trying to reinstate and regenerate the Saturday markets.

	<p>A member of the public felt that Faringdon needed a joined up and consistent message promoting its heritage where the council and businesses worked together. There are lots of activities in the town, but they are not joined up. Folly Fest extended an open invitation for any groups to take part in the festival and use the event to promote Faringdon.</p> <ul style="list-style-type: none"><li>• There was concern about the increasing parking problem in the Town, particularly as the Town is increasing in size rapidly. Police are responsible for parking enforcement in our area, but it is a low priority for them. Cllr. Cox was asked if the VWHDC would reconsider decriminalizing parking. It was explained that there are many factors to consider in Abingdon, Wantage and Faringdon as this was a complicated issue. Cllr. Cox informed the meeting that VWHDC officers were reviewing the issue and he would report back any findings or activity.</li></ul>
