<b>6/2/19</b>	<b>Youth</b> a) Members received an update on the grants issued by the committee in September 2018. The author event with Hilary Robinson was hugely successful both in terms of benefit to the young people and partnership working with Faringdon Junior School. Christine Douglas from YOCO presented on the work and impact of the £1820 that was granted. The 12 young people have really come together as a group and are fundraising the money they need to self-fund for their trip to Kenya which takes place in July 2019. The money for core costs has

contributed greatly as each YOCO group costs 18k to run. The money for session work has been spent on: a drug and alcohol session, an online safety session, cookery session, entry fees to 5k runs, and sessions with a Swahili teacher. There is the possibility of a second YOCO group starting in the town. Cllrs thanked Christine for her comprehensive feedback and the continued success of the group. Cllr Cane PROPOSED that item 6c be moved to next on the agenda, this was AGREED.
