Major Structures Maintenance on A419/A417

We are planning essential maintenance at A419/A417. These works will affect various sections of the A419/A417, the remaining sections of the A419/A417 outside of the works area shall operate as usual.

What are the benefits to road users?

Our work will provide a safer and smoother journey for road users.

What work is being carried out?

The work being delivered is essential maintenance to the structures, including joint replacements. Additionally, essential surfacing work will be completing during some closures.

When and where will the work be carried out? (Traffic restrictions – check before you travel)

There will be closures on the following dates:

- Weeknight closures ONLY (Monday to Friday - from 20:00 hours until 06:00 hours the following morning): **Monday 7th April from 20:00 to Saturday 12th April 06:00 – A417 Closure between Air Balloon Roundabout and A46 Shurdington Road Junction** (Diversion Route 2 Northbound and Southbound)
- Extended weekend closure: **Thursday 24th April from 20:00 to Monday 28th April 06:00 – A419 Northbound and Southbound Closure between A420 White Hart Roundabout and Turnpike/Lady Lane Junction** (Diversion Route 12 Northbound and Southbound)
- Weeknight closures ONLY (Monday to Wednesday - from 20:00 hours until 06:00 hours the following morning): **Monday 28th April from 20:00 to Thursday 1st May 06:00 – A419 Southbound Closure between Lady Lane Junction and A420 White Hart Roundabout Junction** (Diversion Route 12 Southbound)

Please note that the A419/A417 will be fully operational as usual outside of the specified hours. Diversion routes will be signed, and signage will also be in place before the start of works as a reminder.

Noise disruption

Due to the nature of the work we are carrying out there will be times when the work will cause some noise disruption. Every effort will be made to keep the noise to a minimum and we will plan the work to take place at times which will cause least disruption, but please note that this will not always be possible.
